

Student Population

Bolles actively seeks students who represent diverse backgrounds ethnically, culturally, religiously, and socioeconomically. While day students comprise the majority of the student population, 83 boarding students come from 8 states and 26 countries. For 2014-15 the School awarded over \$3.6 million in need-based financial aid (not including faculty tuition discounts). Although most of our students' parents have advanced degrees, we enroll a substantial number of students who will be the first in their families to attend college.

Faculty

Of Bolles' 147 full-time faculty, 90 hold master's degrees, and 11 hold doctoral degrees. The student-to-faculty ratio is 11:1.

Accreditation

Bolles has been fully accredited by the Southern Association of Colleges and Schools since 1934, and is additionally accredited by the Florida Council of Independent Schools and the Southern Association of Independent Schools. Bolles is also a founding member of the Association of College Counselors in Independent Schools (ACCIS).

College Counseling Philosophy

We are committed to helping students conduct authentic college searches aimed at finding the right college fit for each individual. Toward that end, we administer a comprehensive, Grade 9-12 college counseling program that encourages students to become aware of their own skills, interests and values as they seek appropriate college matches. Thus juniors, for example, take tests such as the Myers-Briggs Type Indicator and the Strong Career Inventory as part of the college counseling process. Because of our philosophy, we do not encourage students to use Early Decision for purely strategic purposes, and students tend to apply to a carefully considered set of colleges.

Applications per student (2014):	5.5
% of class applying Early Decision:	20%
% of class applying Early Action:	29%
% attending out-of-state colleges:	57 %

Professional Ethics

As a member of NACAC, Bolles makes every effort to adhere to the Statement of Principles of Good Practice. We report any serious breaches of community disciplinary or ethical standards to colleges, as recommended by the SPGP. We also advise students of their ethical obligations both in withdrawing applications once they have determined where they will enroll and in placing enrollment deposits.

GPA Computations

Bolles does not publish class rank.

Each transcript includes a weighted Grade Point Average, listed both annually and cumulatively, computed by including all academic course work taken at Bolles.* Our official GPA is based on a 12-point scale with extra weight added for Honors and AP courses (see chart at right). Students who take six or seven academic courses receive additional quality points. The GPA is computed using semester, not year-end, grades.

For the convenience of college admissions offices that do not recalculate GPA, an additional 4-point weighted GPA is supplied, based upon the following scale: A+=4.5, A=4.25, A=4.0, etc. With this calculation, Honors courses are weighted by a half point and AP courses by a full point, but additional quality points for six or seven courses are not applied.

*Physical education, life management, ESL, driver education, and *Turris* (yearbook) are not used in the computation of GPA. All other courses shown on the transcript are fully academic in nature and are, therefore, used in computing GPA.
